How did you first come across this book?

It was a present from my sister to my daughter in 1980.

Why do you like this book?

It teaches kids a lot about the value of friendship in a really sweet way.

What themes in the book do you want to share with others?

- *Friendship*
- *What is one person's strength is not necessarily another's but by sharing our strengths, we can create a special bond.*
